

## OUR VISION

Our vision is a safe and healthy Kitsap County for all.

## OUR MISSION

The Kitsap Public Health District prevents disease and protects and promotes the health of all people in Kitsap County.

## OUR GUIDING PRINCIPLES

### Prevention

We protect our community by reducing the risks of disease, injury, and early death.

### Collaboration

We engage with community, convene diverse partners, and work to ensure our efforts are community oriented and create meaningful impact.

### Quality

We are dedicated to continuous quality improvement and our work is guided by evidence from scientific data, best and promising practices, and incorporates community input to produce the best possible outcomes.

### Equity

We are committed to all people in Kitsap County having a fair and just opportunity to live safe and healthy lives.

### Innovation

We proactively and flexibly deploy creative and novel strategies to address current, evolving, and future public health needs.
