

KITSAP COUNTY BOARD OF HEALTH ORDINANCE 2008A-01

ONSITE SEWAGE SYSTEM AND GENERAL SEWAGE SANITATION REGULATIONS

Policy #38: Septic System New Construction Installation Permit Requirements

Effective Date: February 8, 2019

Purpose: The purpose of this policy is to clarify the requirements set forth in Kitsap County Board of Health Ordinance 2008A-01, Section 12.B.6 related to the issuance of an Onsite Sewage System Installation Permit for new construction.

Policy: Section 12.B.6, states that for new construction, a Building Permit number from the applicable building department shall also be required in order to obtain an installation permit.

1. For the purpose of this policy a Building Permit number shall not be considered valid unless the associated Building Permit has been approved or issued by the applicable building department.
2. To obtain an Onsite Sewage System Installation Permit prior to the Building Permit being approved or issued, a waiver to the requirement approved by the Health District and the applicable building department is required.
