

WHAT TO KNOW: SAFE MEDICATION RETURN

WHY SHOULD I USE SAFE MEDICATION RETURN?

Storing medication securely and making sure unused and unwanted medication is disposed of safely helps reduce poisonings, overdoses, and suicide attempts. Safely disposing of medication also keeps it out of our environment, protecting our water and soil.

WHAT ITEMS ARE ACCEPTED AT DROP-OFF SITES?

Any items must be their original container or placed in a sealed bag.

- Prescription medications, including:
 - Controlled substances, such as OxyContin and Ritalin
 - Pre-filled injectors, like epi-pens and pre-filled syringes
- Inhalers
- Over-the-counter/non-prescription medications
- Prescription and over-the-counter medications for household pets

WHAT TYPES OF ITEMS ARE NOT ACCEPTED?

- Business-generated pharmaceutical waste
- Vitamins, minerals, and supplements
- Homeopathic and herbal-based remedies
- Cosmetics, shampoo, toothpaste, and sunscreen
- Empty injectors, empty inhalers, and medical devices that do not contain medication
- Livestock medication
- Pet pesticide products (like flea medications)
- Illegal drugs: Please contact your local law enforcement agency for disposal assistance.
