FOOTNOTES

¹	Fees and applications are not transferable, fee prices are rounded to \$5 increments
²	The Health Officer may waive all, or part, of any service charge on a case-by-case when just cause is demonstrated. When written application for waiver to a service charge is made and granted, the new service charge shall be based at the standard hourly rate.
³	Activities not specifically identified in this Service Charge Schedule will be billed at the hourly rate.
⁴	Refunds are at the discretion of the Health Officer; the handling fee will be subtracted from any Health Officer-approved refund.
⁵	The hourly rate will apply after the first seven (7) hours. Fee includes final inspection.
⁶	The hourly rate will apply after the first four (4) hours. Fee includes final inspection.
⁷	The hourly rate will apply after the first hour or the time allocation applicable to the fee based on the hourly rate.
⁸	If the certification is not paid prior to the due date, the applicant must pay, in addition to the certification service charge, a Delinquent Certification Renewal Fee. After a 90 day delinquent period, a retest for certification will be required. On July 1 of each year all certifications, unless renewed, shall become void and of no effect.
⁹	Reserved
¹⁰	Wet Weather Review for BSA pays for the number of site visits required in the current review policy.
¹¹	Building Clearance Exemption service charge covers staff time to conduct records search, plan review, and record processing; subject to the Health District's policy covering Building Clearance Exemption Referrals.
¹²	Reserved
¹³	For each system dispersal component.
¹⁴	Duplexes will require full fees for each address unless the duplex shares an individual drainfield. Duplexes with shared drainfields will receive one report for both addresses. If separate Property Conveyance Reports are requested for each address when a drainfield is shared, separate applications must be submitted and full service charges paid for each report.
¹⁵	Reserved
¹⁶	If a permit service charge is not paid prior to the due date, the applicant must pay, in addition to the permit service charge, a late penalty equal to 1% of the regular service charge for each day payment is late. The late penalty of 1% will be assessed only for thirty (30) days. If payment is not made within thirty (30) days of the due date, the establishment will be subject to closure in accordance with food service rules and regulations. The Health Officer may waive penalties, in whole or in part, at their discretion.
¹⁷	The requirement for re-inspections is at the discretion of the Health Officer and is determined by the severity of violations in accordance with applicable state and local food regulations.
¹⁸	Minimum one (1) hour.

Kitsap Public Health Board Resolution 2025-06

Kitsap Public Health District Environmental Health Division Fee Schedule (Effective January 1, 2026)

FOOTNOTES (continued)	
19	Payment of re-inspection service charges must be made within thirty (30) days of the billing date. If payment is not made prior to annual licensing renewal time, a new permit will not be issued.
20	Single event temporary permits are good for a maximum of 21 days in one location. Seasonal permits are good for the duration of the event in 1 location, no more than 3 days per week. Farmer's market permits are only associated with authorized farmers markets and are good for the duration of the market season. Applications and service charges for temporary permits are due fourteen (14) calendar days prior to the event to allow for weekend inspection scheduling and coordination with participants for approval. There is a 25% permit fee surcharge for applications submitted from 13 to 2 days prior to an event. No permit will be issued less than 48 hours prior to an event.
21	Inspections will be made in accordance with provisions of rules and regulations of the State Board of Health governing swimming pool facilities. The requirement for re-inspections is at the discretion of the Health Officer and is determined by the severity of violations in accordance with applicable state and local regulations.
22	Camps, which are serving food year round are required to license the food service facility according to the Food Program Service Charge Schedule in effect at the time of application. It is the intent to provide two (2) food service facility inspections per year for those operating year round. Camps operating on a seasonal basis shall license the food service facility according to the seasonal Food Program Service Charge Schedule. Camp pool facilities shall be licensed and inspected according to this Service Charge Schedule. Camp inspections include a bathing beach and one sanitary facility inspection.
23	Charge covers completed permit application review, new or modified permit drafting/issuance, facility inspections for permit compliance, required monitoring and data review, and required plan and design review.
24	Charges cover annual permit renewal/issuance, facility inspections for permit compliance, required monitoring and data review, and required plan and design review. Charges are assessed based on staff hours expended at the hourly rate approved by the Kitsap Public Health Board for that year. Charges will be billed at a frequency agreed to by the permittee.
25	Conditionally exempt hourly fees are assessed to evaluate conditional exemption status, annual reports, and to conduct annual inspections, as needed. These fees include time expended on non-compliance and re-inspection and will be based on the hours spent regulating the facility the previous calendar year.
26	A permit issued to a facility once closure construction activities are completed, which governs the requirements placed upon a facility after closure to ensure its environmental safety for at least a twenty-year period or until the site becomes stabilized (i.e., little or no settlement, gas production, or leachate generation).
27	Service charges will be assessed for the review of plans or proposals not specifically associated with a facility permit application.
28	Fees for Biosolid facilities include time to review permits, review reports and to conduct inspections. Non-compliance issues would be billed separately. In addition to review charges for Biosolids State Permit, Plan and Report Reviews, charges are assessed for non-routine regulatory activities associated with facility noncompliance.
