RIGHTS IN DATA

Copyright in all material created by Health District and paid for by OSPI as part of this Agreement shall be the property of the State of Washington. Both OSPI and Health District may use these materials, and permit others to use them, for any purpose consistent with their respective missions as agencies of the State of Washington. SUBCONTRACTING

Neither Kitsap Public Health District nor any subcontractor shall enter into subcontracts for any of the work contemplated under this Contract without obtaining prior written approval of OSPI. Health District is responsible to ensure that all terms, conditions, assurances, and certifications set forth in this Agreement are included in any and all subcontracts. In no event shall the existence of the subcontract operate to release or reduce liability of Health District to OSPI for any breach in the performance of Health District duties. This clause does not include contracts of employment between Health District and personnel assigned to work under this Agreement.

If, at any time during the progress of the work, OSPI determines in its sole judgment that any subcontractor is incompetent, OSPI shall notify Health District, and Health District shall take immediate steps to terminate the subcontractor's involvement in the work. The rejection or approval by OSPI of any subcontractor or the termination of a subcontractor shall not relieve Health District of any of its responsibilities under the Agreement, nor be the basis for additional charges to OSPI.

TERMINATION

Either party may terminate this Agreement upon thirty (30) calendar days' prior written notification to the other party. If this Agreement is so terminated, the parties shall be liable only for performance rendered or costs incurred in accordance with the terms of this Agreement prior to the effective date of termination.

- a. At OSPI's discretion, OSPI may give written notice of intent to renegotiate the Agreement under the revised funding conditions.
- b. At OSPI's discretion, OSPI may give written notice to Kitsap Public Health District to suspend performance when OSPI determines there is reasonable likelihood that the funding insufficiency may be resolved in a timeframe that would allow Health District's performance to be resumed.
 - 1) During the period of suspension of performance, each party will inform the other of any conditions that may reasonably affect the potential for resumption of performance.
 - 2) When OSPI determines that the funding insufficiency is resolved, it will give Health District written notice to resume performance, and Health District shall resume performance.
 - 3) Upon the receipt of notice under b. (2), if Health District is unable to resume performance of this Agreement or if Health District's proposed resumption date is not acceptable to OSPI and an acceptable date cannot be negotiated, OSPI may terminate the Agreement by giving written notice to Health District. The parties agree that the Agreement will be terminated retroactive to the date of the notice of suspension. OSPI shall be liable only for payment in accordance with the terms of this Agreement for services rendered prior to the retroactive date of termination.
- c. OSPI may immediately terminate this Agreement by providing written notice to Kitsap Public Health District. The termination shall be effective on the date specified in the termination notice. OSPI shall be liable only for payment in accordance with the terms of this Agreement for services rendered prior to the effective date of termination. No penalty shall accrue to OSPI in the event the termination option in this section is exercised.
- d. For purposes of this section, "written notice" may include email.

TERMINATION FOR CAUSE

If for any cause, either party does not fulfill in a timely and proper manner its obligations under this Agreement, or if either party violates any of these terms and conditions, the aggrieved party will give the other party written notice of such failure or violation. The responsible party will be given the opportunity to correct the violation or failure within fifteen (15) working days. If failure or violation is not corrected, this Agreement may be terminated immediately by written notice of the aggrieved party to the other.

TERMINATION PROCEDURE

Upon termination of this Agreement, OSPI, in addition to other rights provided in this Agreement, may require Health District to deliver to OSPI any property specifically produced or acquired for the performance of such part of this Agreement as has been terminated.

OSPI shall pay to Health District the agreed upon price, if separately stated, for completed work and services accepted by OSPI and the amount agreed upon by Health District and OSPI for (a) completed work and services for which no separate price is stated, (b) partially completed work and services, (c) other property or services which are accepted by OSPI, and (d) the protection and preservation of the property, unless the termination is for cause, in which case OSPI shall determine the extent of the liability. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause for this Agreement. OSPI may withhold from any amounts due to Health District such sum as OSPI determines to be necessary to protect OSPI against potential loss or liability.

The rights and remedies of OSPI provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law under this Agreement.

After receipt of a notice of termination, and except as otherwise directed by OSPI, Kitsap Public Health District shall:

- g. Take such action as may be necessary, or as OSPI may direct, for the protection and preservation of the property related to this Agreement which, in is in the possession of Health District and in which OSPI has or may acquire an interest.

WAIVER

A failure by either party to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement unless stated to be such in a writing signed by an authorized representative of the party and attached to the original Agreement.

ALL WRITINGS CONTAINED HEREIN

This Agreement contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind any of the parties hereto.

MEMORANDUM to ED GRANTEES REGARDING THE USE OF GRANT FUNDS FOR CONFERENCES AND MEETINGS

You are receiving this memorandum to remind you that grantees must take into account the following factors when considering the use of grant funds for conferences and meetings:

- Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:
 - Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
 - Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
 - Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
- Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." In particular, remember that:
 - Federal grant funds cannot be used to pay for alcoholic beverages; and
 - Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.
- Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant.
 - When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or

conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.

- A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business.
 - A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
- A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval.
 - All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:
The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.
- Grantees are strongly encouraged to contact their project officer with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes.
 - A short conversation could help avoid a costly and embarrassing mistake.
- Grantees are responsible for the proper use of their grant awards and may have to repay funds to the Department if they violate the rules on the use of grant funds, including the rules for meeting and conference-related expenses.
